

# Activity #6: The Braingers

A Brain Module Activity: **Can You Take Your Mind Off of Movies?**

## Description

Time for mind control. Escape from the trap that movies put you under by seeing whether you can detect the objects in modified Marvel scenes that do not actually show up in the movies. Can you resist the temptation to see Iron Man blast or Scarlet Witch warp reality in order to detect our objects? Test your ability to escape movies in this activity.

1

## Write Down The Differences

We will provide you with a pencil/pen and a paper on which you must record anything different that you see. Even if you have not seen the scene, our differences are quite obvious so record anything unusual that does not seem to fit in. Some are obvious. Others are not.

2

## Calculate Your Points

Whoever has the most points by the end has the power of super observation! You will be the winner and you can call yourself a Brainger!
